## **GENERAL INFORMATION**

In an effort to showcase a range of works and talent, applications will be juried (see *JURY INFORMATION below*).

All applicants will be notified whether they have been selected to participate in the market and festival.

The CAC recommends applying early.

For a complete list of categories, please reference below. Preference will be given to those willing to demonstrate their artistic process the day of the festival.

**PUBLIC ADMISSION FEE:** FREE (no gate)

**PARKING:** Street parking and other designated town lots

**VENDOR SPACES:** 10 x 10 booth space. 10 x 20 spaces are an \$50 additional fee. No electrical access provided. Vendors may share booths.

**SET-UP:** Begins at 8am the morning of the festival (if more time is needed for setup, please contact us). Vendors are asked to move their vehicles off the perimeter of the common after they have set up their booths. The common will be a no-parking zone during festival hours.

**JURYING INFORMATION:** The number of participants selected will be based on vendor space available and chosen by a jury of fine artists and craftspeople who are members of the Chelsea Arts Collective. All participants in the show will be chosen by this jury and will be notified by the jury. WAIT LIST applications will be accepted.

Artists contacted from the waitlist, will be chosen by category as cancellations are received, and at that time can accept or decline our invitation to participate.

**EXHIBITOR STANDARDS:**

All work must be of original design and produced by the artist(s) or craftspeople. The work exhibited must match the quality and style of work, as represented in the submitted digital images.

**ARTIST ATTENDANCE:**

The artist/craftsperson whose work has been accepted, must be present for the duration of the show.

The festival will take place rain or shine. Exhibitors should be prepared for inclement weather with their own protective structures or tents. The MAIN festival tents will be utilized for musicians/performers, dining, and children's programming.
