Celebrating Local Craftsmanship

North Common Arts is a gallery and consignment venue located in Historic Chelsea Village, which sells and displays works by emerging and established local artists.

Creativity & Community

We believe in making art accessible and aim to offer events and activities that are engaging and inclusive.

We also strive to promote and celebrate local talent and craftsmanship with a changing monthly calendar of events featuring artist openings, Second Saturday music and cafe nights, pop-up dinners with guest chefs, and fine art and craft workshops.
